Dear Pittsburgh Steelers fans and those whose lives have been touched by Breast Cancer;

As we begin preparations for the **18th ANNUAL BID FOR HOPE** event on Monday, October 7, 2019, I would like to express my heartfelt appreciation for the generosity of the many Pittsburgh Steelers players who chose to contribute their time by attending the previous "Bid for Hope" fund raising events. With their help, we have had overwhelming success in raising money for breast cancer research. Glimmer of Hope has raised over 4.4 million dollars for breast cancer research in Western Pennsylvania because of your support.

A special thank you to all the Steelers players who have graciously hosted this event over the last 18 years. **Vince Williams** and **Alan and Julie Faneca** will host the event with invited Pittsburgh Steelers players. The special guest emcee will be **Bob Pompeani**. With this winning team we are sure to score big for breast cancer research! For the past 24 years, "A Glimmer of Hope" has been dedicated to raising funds to further breast cancer research in premenopausal women. The incidence of breast cancer in women under 40 is increasing. Last year's event raised \$100,000 which was donated locally to Magee Womens Hospital.

BID FOR HOPE XVIII begins with a "meet and greet" autograph session with the Steelers players, followed by silent and live auctions, and of course, delicious food, desserts and drinks served throughout the evening. This year's event is scheduled for **Monday, October 7, 2019 at Napa Prime Chophouse, 101 Fowler Road, Wexford, PA 15090**. Contribute to curing breast cancer by being a corporate sponsor and/or by donating items to be auctioned.

Thank you so very much,

Diana Napper, Founder
