

"Kami Lee Poole Memorial Golf Outing"

Kami Lee Poole's life was filled with love, joy and friendship! After a twelve year struggle with breast cancer, on January 9, 2015 our Angel was taken from us far too early. For those who knew her, Kami's selfless strength and courage in the face of overwhelming challenges and uncertainty will always be an inspiration to live life to the fullest and enjoy every moment. Kami, you will forever be loved and missed.

The "Kami Lee Poole Memorial Golf Outing" honors Kami and all of those we have lost to cancer or battle everyday with this terrible disease. This day of golf and camaraderie celebrates Kami's life and legacy.

All proceeds from the event supports those who are battling cancer and helps fund breast cancer research and early detection. If you or your company would like to support this event, please consider a donation or sponsorship. Your generosity is welcomed and greatly appreciated.
